

CLASSROOM PROCEDURES

for

MATHEMATICS CLASS

- 1. Students will go to their assigned seats and begin Daily Math activity immediately after entering the classroom.**
- 2. Students will have 2 sharpened pencils and necessary books ready.**
- 3. Students will request permission from the teacher for emergency use of the restroom. They must have a hall pass before leaving the room.**
- 4. Students will LISTEN CAREFULLY, FOLLOW DIRECTIONS, AND WORK QUIETLY during the class period. They will not disturb others who are working.**
- 5. Students will respect others, being kind with their words and actions.**
- 6. Students will respect school and personal property.**
- 7. Students will remain seated and working until the TEACHER dismisses them at the end of the hour-- NOT the bell!! If a hands-on activity has occurred, everything must be cleaned-up before dismissal.**
